

# *A Year of Growth*

2013 Annual Report

Sharing the wealth. Shaping the future.

# From the Executive Director's Desk

---

*Dear Friends,*

Here at Centre Foundation, we are truly “Building for the Future” and 2013 was a year that embodied that vision. We welcomed growth and transformation in our staff, our funds, our board, and our community!

In December, I was honored to be named Executive Director upon the retirement of Al Jones. Earlier, we welcomed a new staff member, Irene Miller, in August. Jodi Pringle ended her very successful two-year term as board chair and has passed the gavel on to Amos Goodall. To see a complete list of our current staff – including Carrie Ryan, our new Deputy Director that joined us in March of 2014 – and board members, please see page 31.

Our assets grew 17.9% due to a dynamic combination of increased donations to existing funds, generous estate gifts through our Campbell Society, an increase in new funds established, and very strong investment returns. The full 2013 Financial Report and corresponding infographics can be found beginning on page 28.

The Foundation's ongoing support of community organizations kept growing, totaling over \$10.7 million! A complete list of gifts to our funds starts on page 9, while a list of our lifetime grants to organizations begins on page 21.

Centre Gives, our new granting program, completed its second year in May of 2013 and raised over half a million dollars for the participating organizations. More details can be found on page 12.

We continue to engage and connect with the community through programs like Centre Gives, as well as our through New Leaf Initiative. These programs and partnerships allow us to build our name recognition and demonstrate our value in the community. At New Leaf, which received a significant grant from our Foundation and was a featured presenter at our Annual Dinner in October (pg. 33), our staff can co-work with the community in order to facilitate the flow of ideas in a more responsive manner.

As 2014 unfolds, it promises to be a year of expansion and excitement. In April, we realized a long-term dream of moving into our own building, generously donated by Donald Strickler. Spring will also bring a new granting initiative, Centre Inspires, which will provide funding for large-scale projects to enhance and improve our community. To keep up with these changes and learn more about all we do, please visit our website at [Centre-Foundation.org](http://Centre-Foundation.org), like us on Facebook, and follow us on Twitter.

Thank you to our donors and supporters, who are the foundation of all the work we do. We are honored that you have chosen to support Centre Foundation so that we can serve the community that we all love.

*Many, many thanks,*

Molly Kunkel, Executive Director

## National Standards Compliance

In 2012 Centre Foundation was reconfirmed in compliance with the National Standards for U.S. Community Foundations. The Standards assist community foundations in establishing legal, ethical and effective operating practices that show a foundation's transparency and financial responsibility. The 43 National Standards address six key areas of community foundation operations:

- **Mission, Structure, and Governance**- includes standards that define board accountability, compensation, independence, fiduciary responsibility and representation of the community.
- **Resource Development**-includes parameters for administration of funds, disclosure to donors and commitment to building long-term resources for varied community issues and causes.
- **Stewardship and Accountability**-covers prudent investment and management of funds, transparent record-keeping, use of funds for their intended purpose, annual audits and public availability of financial information.
- **Grantmaking and Community Leadership**-includes standards related to broad and open grantmaking programs, due diligence and responsiveness to changing community needs.
- **Donor Relations**-encompasses guidelines for informing, educating and involving donors in responding to community needs.
- **Communications**-includes openness to public scrutiny and frequent communication about activities and finances.

# Our Purpose

---

Centre Foundation helps make a greater impact with your giving, supports local non-profits, and inspires residents to engage and connect with our community. We are experts in two things - philanthropy and community. People enjoy working with our team because of this expertise, as well as the excellent personal service and deep understanding of the community that Centre Foundation brings to the table.

We believe that everyone can be a philanthropist. When you partner with us, we will help you become one - and make sure your giving is effective and fulfilling. We offer a variety of tools to help you achieve your charitable goals. Whether you want to create a new fund or add to an existing one, we are here to make impactful giving simple by accepting a variety of flexible gift options.

We believe in the non-profit organizations that are working to create a better future for Centre County. We provide services to them to build endowments, to create supportive community engagement, to strengthen themselves internally through training and research, and to convene funding partnerships that lead to transformative projects.

## Our Mission

# Creating Your Own Fund

**Centre Foundation is home to over 300 funds, each created by passionate donors.**

The establishment of each fund begins with a unique story. Passionate, visionary donors rely on the professional expertise of Centre Foundation's staff and investment committee to ensure that their legacy of choice continues in perpetuity. We can help you create your own charitable fund, working closely with you so we can understand your goals. You can choose how much and what kind of assets work best for starting your fund, which non-profit organization(s) the fund will benefit, and what to name your fund. Our staff is available to assist you, not only as you begin the fund, but throughout your lifetime. Contact Centre Foundation to learn more and find the best fund for meeting your philanthropic goals.

**In 2013, visionary donors established 21 new funds at Centre Foundation. We are honored to recognize these funds:**

## Centre Gives

**In 2013, Centre Gives raised over half a million dollars.**

Since embarking on a new granting program in 2012 called “Centre Gives,” this event has raised just under \$1 million dollars in two years for over 80 local non-profit organizations. Reimagined from a granting program that served less than half of these organizations, Centre Gives now serves as the Foundation’s largest community engagement and granting program. For 36 hours beginning at 12:00 am on May 6th, qualified organizations will once again compete for \$100,000 in matching funds and \$25,000 in prizes provided by Centre Foundation. This event occurs online and with live updates at CentreGives.org.

# Grants by Organization

In 2013, Centre Foundation dispersed \$1,666,663 in grants.

Throughout the year, Centre Foundation disperses grants to all corners of our community, both geographically and by services provided. The Foundation serves over 155,000 Centre County residents by supporting over 400 non-profit organizations, distributing over 175 scholarships, and administering the Centre Gives granting program. Together, that means more high school seniors continuing their educational pursuits, more healthcare options for our underserved neighbors, more natural beauty preserved for everyone to enjoy, more artistic productions to feed our souls, and more opportunities for a continual improvement of our community.

# Kathryn K. & Roy D. Shoemaker Charitable Trust

## A legacy of generosity for the community.

Kathryn and Roy Shoemaker were life-long residents of Centre County, both passing away in 2005 after long and happy lives in the State College area. Roy was a businessman and farmer in the Centre region. Their love of the area inspired them to share their resources with the community. They distributed a substantial portion of their estate to the Kathryn K. & Roy D. Shoemaker Charitable Trust. Merrill Lynch Trust Company was named as Trustee and Centre Foundation as the organization responsible for distribution to the beneficiaries. The Trustee is in possession of the funds and manages the investment of the funds while following the investment policy of Centre Foundation. Disbursements from the trust come to the Foundation and are distributed to the twelve charitable organizations named as beneficiaries, all of whom serve Centre County residents.

### In 2013 the beneficiaries received the following distributions:

Alpha Fire Company	\$16,012
American Cancer Society	\$25,620

## Anniversary Circle Members

**“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed it’s the only thing that ever has.” - Margaret Mead**

If you have ever wanted to award a \$10,000 grant to a local project, then you should join Centre Foundation’s Anniversary Circle! This giving circle was established in 2006 to commemorate the Foundation’s 25th anniversary and to make impactful, project-based grants in our community. Each year, members meet to decide which local non-profit organization’s project will receive the \$10,000 grant.

In 2013, members elected to fund a new roof for the House of Care, which had not been replaced since 1974. Previous years’ grants were awarded to Discovery Space of Central Pennsylvania, Housing Transitions, Strawberry Fields, Park Forest Day Nursery, Interfaith Mission, and Community Help Centre.

**To learn more about or join the Anniversary Circle, please contact Centre Foundation.**

# The Campbell Society

**“The true meaning of life is to plant trees, under whose shade you do not expect to sit.” – Nelson Henderson**

Over 490 generous people have made a lasting impact on our community by joining Centre Foundation’s Campbell Society. Named for our founder, Judge R. Paul Campbell, society members have included Centre Foundation in their estate plans. Members enjoy the financial benefits of these planned gifts and the security of knowing that their commitment to the Centre region will continue for years to come.

Campbell Society members meet annually, providing us with the opportunity to honor and thank them during their lifetimes, as well as update them on new Foundation projects.

# Financial Report

## Centre Foundation manages over \$29 million in assets.

For over 30 years the Centre Foundation has been the steward of a precious community resource, Centre County's charitable endowment, composed of gifts from generous individuals, organizations, and corporations. In managing this endowment the Centre Foundation seeks to provide sufficient funds to make current grants, while preserving the purchasing power of these charitable gifts forever. The region has benefited from the power of this endowment which has grown, generating ever-increasing grant funds for all of Centre County.

At the end of 2013, the Foundation's total assets were \$30,187,000. This represents a 17.9% increase from December 31, 2012 to December 31, 2013.

In 2013, the increase in total assets resulted from both investment performance and contributions exceeding distributions and expenses. Our investments increased about 18% for the year. The Foundation furthered its mission and received gifts of approximately \$3,272,000 during 2013. Meanwhile, our grant and program payments for 2013 were approximately \$1,841,000.

The finances of the Foundation are administered by the Board of Directors which has ultimate responsibility for all decisions. The Board works through its Executive Committee and various other committees who oversee different aspects of operations.

By Board policy the Foundation annually:

- Distributes a set percentage of the average asset value from each fund annually for charitable needs. In 2013 the distribution rate was 4.5%, but may be changed from time to time to reflect market returns and our fiduciary responsibility to preserve the value of our funds. For this calculation the average of the fund value over previous twenty quarters is used.
- Draws a percentage from each fund for operations: 1.39% in 2013. This is based on a variety of factors including the asset base and operating budget.
- Pays approximately .2% for active investment management.

This spending policy is consistent with most other community foundations, and is designed to provide steady and growing distributions back to the community.

The foundation is fortunate to have a group of very talented individuals volunteer their time and expertise as members of this Investment Committee. The Investment Committee recommends specific investment policy and is responsible for guiding, monitoring and implementing the policy and reporting performance results. Presently the Foundation has working arrangements for financial management with First National Bank, M&T Investment Group, Nestlerode & Loy, Merrill Lynch, Weinken & Associates, and Smith Barney. Additional funds are invested by the Investment Committee through Vanguard and The Investment Fund for Foundations (TIFF). In 2011 the Foundation began to invest in private equity and venture capital with The Commonfund.

The assets of the Foundation are deployed in a variety of investments in accordance with the investment policy. It seeks to hold 40% to 80% of its assets in global securities, 20% to 60% in fixed-income instruments such as long-term bonds, debt-based mutual funds and temporary cash investments, and up to 30% in alternative assets in an effort to obtain higher yields. This so-called discretionary class of assets allows managers to move slightly outside the basic policy and acquire positions in high-yield bonds, emerging markets, particular market sectors or real estate, commodities, etc. Overall, the portfolio is invested for capital appreciation. At a minimum, the Foundation's goal is to generate long-term investment results sufficient to pay its grants, operating, and investment expenses, while keeping pace with inflation.

The fixed-income portfolio is diversified and consists primarily of investment grade bonds, benchmarked against the Barclay Aggregate Index.

Employing broad diversification as to investment style and other major component weighting, the global equity portfolio is benchmarked against the MSCI All Country World Index, which includes broad categories of U.S. equities, non-U.S. developed market equities and emerging market equities.

The foundation is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as a publicly supported organization described in Section 501(c)(3). It is also exempt from state taxes and is registered with the Pennsylvania Bureau of Charitable Organizations. All gifts are accepted subject to the Foundation's Articles of Incorporation, By-Laws and policies.

The following are preliminary (unaudited) results. Copies of the annual audit report and IRS Form 990 are available at the Foundation office and/ or on our website.

The Foundation's assets as of December 31, 2013 and the changes in its net assets during the year, determined on the cash basis, were as follows:

# Annual Dinner

**Celebrating our year of growth together.**

It was a night of thanks as Centre Foundation gathered nearly 150 dedicated supporters, partners from over 15 local non-profit organizations, and several community leaders for its Annual Dinner at the Nittany Lion Inn on October 17th.

## What does “Centre County” mean to you?

By texting answers via cell phones, guests provided insight about our community and their giving preferences in real time during this event. Rarely are cell phones encouraged at an event, but the exception brought much discussion and excitement to the crowd. During the program, staff members announced some of the results: 48% of respondents were ages 41-60, 43% used a newspaper as their main source of community news, 42% donated most often to the Health & Human Services sector, and 47% said they checked Facebook daily.

## New Leaf Initiative

New Leaf Initiative, a \$75,000 grant recipient of Centre Foundation's donor-advised Knight Foundation fund, was introduced by Co-Directors Serena Fulton and Eric Sauder. This collaborative, co-working initiative links the ideas coming off campus with the business community.

**“We don’t want Penn State graduates thinking that they will have to move somewhere else to start their company. One of our goals is connecting their ideas and enthusiasm with the right networks and support system in the Centre County community.”**

- Serena Fulton

## Award Recipients

For for his years of service and commitment to the mission of Centre Foundation, Jeff Bower was presented with the Oak Tree Award.

Founded within a year of each other, Centre Foundation has maintained a close working relationship for over thirty years with ClearWater Conservancy, recipient of the 2013 Kathryn S. Weaver Award for commendable service to the people of Centre County.

A tireless fundraiser for many organizations in Centre County, Celeste Newcomb was recognized with the Future of the Foundation Award.
